

Meetings with Service Support Staff

Periodic meeting will be held with all service support staff as determined by the director/assistant director of personnel.

The purposes of these meetings shall be to:

1. Facilitate communication between the school board and supportive services personnel,
2. Serve as a clearing house for current problems and needs,
3. Advise on regulations to implement board policy, and
4. Discuss, evaluate and suggest changes or revisions in board policy. These will be addressed to the board's attention through the superintendent.
